

ICAIN-2026
International Conference on Artificial
Intelligence and Networking

26th -28th November 2026
Organized by
Universal Inovator & UI-Educon
In association with
Indian Institute of Information Technology, Allahabad

******* CALL FOR PAPERS *******

SPECIAL SESSION ON

Special Session on Explainable AI, Smart Networking, and Digital Transformation

SESSION ORGANIZERS:

Dr. Punam Kumari

Associate Professor & HoD-Smart Technologies

Amity University Bengaluru Karnataka India

pkumari@blr.amity.edu

SESSION DESCRIPTION:

The rapid advancement of Artificial Intelligence and intelligent networking technologies is transforming industries, governance, healthcare, education, and smart infrastructures. This special session aims to explore recent innovations in Explainable AI (XAI), secure and intelligent networking, and digital transformation strategies that enhance transparency, efficiency, and trustworthiness in modern systems. The session will provide a platform for researchers, academicians, industry experts, and practitioners to discuss emerging trends, challenges, and real-world applications of AI-driven intelligent solutions. Contributions focusing on ethical, sustainable, and human-centered AI technologies are highly encouraged.

RECOMMENDED TOPICS:

Topics to be discussed in this special session include (but are not limited to) the following:

- Explainable Artificial Intelligence (XAI)
- Trustworthy and Responsible AI
- AI-driven Smart Networking
- Deep Learning and Neural Networks
- AI for Cybersecurity and Intrusion Detection

- Intelligent IoT and Edge Computing
- AI-enabled Digital Transformation
- Secure Communication Networks
- Federated Learning and Distributed AI
- AI for Smart Cities and Sustainable Development
- Machine Learning in Network Optimization
- AI-powered Cloud and Fog Computing
- Natural Language Processing and Conversational AI
- AI Applications in Healthcare and Education
- Blockchain and AI Integration
- Computer Vision and Intelligent Surveillance
- Ethical AI and Bias Mitigation
- Big Data Analytics and Intelligent Decision Systems
- Autonomous Systems and Intelligent Automation
- AI for Industry 5.0 and Smart Manufacturing

SUBMISSION PROCEDURE:

Researchers and practitioners are invited to submit papers for this particular theme session on **Special Session on Explainable AI, Smart Networking, and Digital Transformation** *on or before [30th August 2026]*. All submissions must be original and may not be under review by another publication. INTERESTED AUTHORS SHOULD CONSULT THE CONFERENCE'S GUIDELINES FOR MANUSCRIPT SUBMISSIONS at <https://www.icain-conf.com/downloads>. All submitted papers will be reviewed on a double-blind, peer-review basis.

NOTE: While submitting a paper in this special session, please specify **Special Session on Explainable AI, Smart Networking, and Digital Transformation** at the top (above paper title) of the first page of your paper.
